

I fear K-LOVE being displaced by an LPFM broadcaster. K-LOVE is all I listen to on the radio. In fact, it is so rare for me to change the dial, that when it was new to my community I had trouble telling others where to tune in because once I found it, I never changed the station. However, as a monthly supporter, I always write 89.3 Bismarck on my check in the memo section, so now I'll never forget!

At one time in my life I had to make frequent trips to Minot, ND. At that time I could tell you at what point I lost K-LOVE broadcasting from Bismarck, and when I could pick up the broadcast from Minot. I knew exactly how long I had to listen to cassette tapes in between!

There is nothing else like K-LOVE in my community. I love contemporary Christian music! I love the people on the radio talking about their love for Christ and sharing how God is working in their lives. I find comfort, encouragement, and inspiration from K-LOVE. It warms my heart to see vehicles around town with K-LOVE bumper stickers!

I don't want K-LOVE to go away. That is why I'm a monthly supporter. That is why I'm taking the time to compose this comment. If K-LOVE were displaced by an LPFM broadcaster playing something else, the community would suffer a great loss. Audio Adrenaline and Skillet played at the Bismarck Civic Center recently. That would not have been possible without K-LOVE in our area. K-LOVE is great for our youth! K-LOVE exposes them to young people who love Christ. K-LOVE exposes youth to music that interests them and also speaks of God's love. K-LOVE reminds me of what's important in life, helping me to keep things in perspective, making me a better spouse, employee, citizen, etc. Apply that statement to all listeners, and you've got a lot of happy listeners in K-LOVE listening areas enjoying a higher quality of life. And I know that's a true statement because I hear from listeners calling into K-LOVE on the radio from all over the country! They are states away and joining in with me in listening to our favorite station! What a way for people across the nation to unite. Because of K-LOVE people across the nation are praying for America and her leaders. America needs K-LOVE as much (or more than) as I do.
